

DERRY TOWNSHIP RECYCLING GUIDE

READY, SET, RECYCLE

Recycling Services

Recycling takes a product at the end of its useful life and makes it into another product. The Pennsylvania Municipal Waste Planning Recycling Act of July 1998 mandates municipalities with 10,000 or more residents provide curbside recycling. Derry Township is committed to recycling to save natural resources, reduce waste disposal, reuse materials for manufacturing, and reduce air emissions through its program, which includes curbside collection of recyclable items through a contracted waste hauler and the operation of a Recycling Center that accepts items in addition to what is collected curbside.

THE ARROWS IN THE RECYCLE TRIANGLE REPRESENT COLLECTION, REMANUFACTURE, & RESALE.

Curbside Collection

The Township's waste hauler provides a recycling bin to each household. Bins can be obtained by calling the waste hauler. There is no limit on the quantity of acceptable recyclable items to be collected curbside. Items must be placed at the curb by 5 a.m. on the trash collection day.

THE RECYCLING CENTER, PUBLIC WORK FACILITY & MUNICIPAL BUILDING ARE LOCATED ON CLEARWATER ROAD.

RECYCLING IS EASY & CONVENIENT

What Goes in the Bin?

Plastics

Plastic containers will have a raised #1, #2, #3, #4, #5, #6, and #7 in a triangle on the bottom indicating that they are recyclable. Common plastic items are soda bottles, milk and water containers, and detergent bottles.

Please remove the lids, rinse the containers, and recycle the lid if it is plastic. Plastic wrap and plastic bags are not collected in the bin.

Glass

Clear, brown, and green glass is collected. Please remove the lids and rinse the jars and bottles. Window glass, dishes, and light bulbs are not collected curbside.

Aluminum & Steel Cans

Items such as food, beverage, and pet food cans are accepted. Please rinse the cans. Empty aerosol cans, foil and foil pie plates, and bakeware are collected curbside. Paint cans with dried paint only can be placed in the trash.

Paper

Mail, magazines, glossy paper, junk mail, telephone books, food boxes, and shoeboxes are collected. These items should be separate but may be put in the bin. Staples are to be removed. The cardboard should be corrugated, clean, dry, flattened, and placed in the bin. NO NEWSPRINT.

Cans & bottles never biodegrade.
